With Appreciation

Thanks to all who joined us at the Thanksgiving & Appreciation Reception. It was great to reconnect, hear your STC stories and experiences, and feel the energy of our STC spirit. Sisters Fatima, Evelina and Barbara, FMM sends their love and appreciation. Sister Evelina, in particular, would love to see more alumnae come to STC to speak to the girls. To sign up, please contact Odell Kumeh.

Enclosed is the list of some notable STC alums shared at the event. There are many more! Please send updates to Wede Hodge-Gibson at +1(571) 643-9479. As we look forward to STC 90th anniversary in 2027, please take the $90 or $900 pledge to support capital projects for our dear old school.

We value your continued support and look forward to staying connected for future gatherings.
